Re: Student Art Show

Dear Teachers and Students,

We would like to invite you to participate in Space Coast Art Festival's 2009 Margaret Heins Student Art Show. The Margaret Heins Foundation has graciously agreed to sponsor the SCAF Student Art Shows through 2012, and have donated the funds necessary to continue running this excellent show.

Each year the students of Brevard County have demonstrated to area residents and visitors the awesome talent they have. We expect this year's Student Art Show will be one of the best and biggest ever.

There will be **no registration the day of the show.** To ensure the show runs smoothly, we will not be accepting any registration forms after the November 20th deadline.

After some confusion in prior years, we need to remind the participants that the competition rules require the **artist to be at the show at all times**. No artwork will be judged if the artist is not present at their display. There will be an activity tent available for the artists to enjoy, but it is the artist's responsibility to be at their display during judging. Also, the artist must be present at the awards ceremony to collect any prize money they may have been chosen for. While we know this may present a hardship for some students, the SCAF treats the students with the same professionalism we do the adult artists, and the same rules apply for both shows.

We're looking forward to a fun day, with Brevard's best student artists, again this year. If you have any questions, suggestions, or problems please don't hesitate to contact us.
